

Instructions for shipment containing Dangerous Goods

DHL Express – Excellence. Simply delivered.

Shipment containing Dangerous Goods

Each shipment, which contains Dangerous Goods, must follow a standard procedure for creating a transport label (waybill).

To create a transport label, log in to MyDHL+ with your credentials. Click **Ship** -> **Create a Shipment** and then follow the steps to fill in all required information about destination, content, size, and type of transport.

Dangerous Goods are declared at the **Optional Services** step. Please see marked with an arrow below:
