## HOW TO GET A RATE AND TIME QUOTE

- ! Customers who would like to get a rate and time quote using their DHL account number and preferential conditions, must log into their profile before following the below outlined steps.

You can get a fast rate and time quote when you opt for **Get a Rate and Time Quote** from the **Ship Tab**.

Fill in the destination details: From and To by entering the name of the country, post code and the name of the particular city. You may use the  button to get an import quote.

You must choose the type of shipment – Documents or Packages. Then fill in the details about number of pieces, weight and size of each piece.\*

\* For shipments outside the EU, you must provide the monetary declared value of the shipment (which does not affect the calculated price).

\*\* If insurance is required, tick **I would like to add shipment protection to my shipment (Document Extended Liability Service)** and fill in the corresponding value (for registered clients).

After choosing your DHL Account Number (for customers with signed contracts with DHL Express), click **Get Quote** to continue.

**Documents**

Documents include legal, financial or business paperwork. Items with monetary value are NOT considered a document shipment.

**Packages**

Packages are goods, merchandise or commodities for personal or commercial purposes.

**Is it a document?**  
Some items you might think are documents are not – check before completing your shipment.
