WELCOME TO MYBILL
YOUR NEW ONLINE PAYMENT PORTAL

With MyBill, you can view, download, print and even pay your invoices with just a simple click.

Get Started >

Don't show this message again

Once your request has been approved the email will contain a link to click on to set your password for logging in to MyBill. Once you have successfully logged in to MyBill you will see a welcome message pop up.
Here you can dismiss the message by clicking the *'X'* in the top right of the message or by clicking the '*Get Started*' button. Select to not have the message displayed again by ticking the '*Don't show this message again*' box in the lower left corner of the message

THE SCREENS

Once you have logged into MyBill you will be directed to the main Dashboard screen. From this screen you can navigate to numerous screens; **Archive**, **Downloads**, **Report**, **My Account**, **Search** and **Help**.
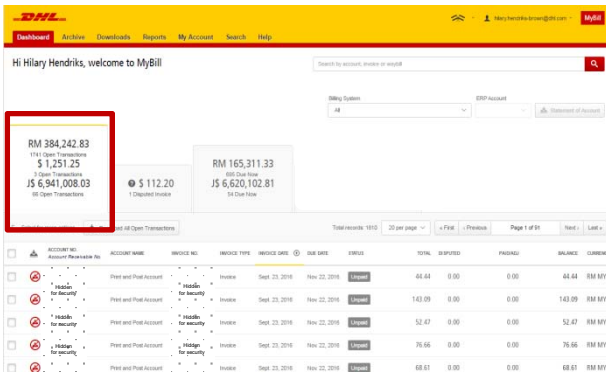

In the main **Dashboard** your invoices are divided into 3 categories:

**Open Transactions** - These are the invoices with outstanding balances that require payment.

Disputed Invoices - All open disputed invoices and their corresponding dispute information can be found here.

Due Now - Here you will find an overview of invoices for which payment is due or overdue.

All three of these overviews can be downloaded into Excel by selecting the **Download All Open Transactions** button situation at the top and the bottom of each overview.

In the event that you use MyBill for multiple countries the totals will subsequently be shown separately in the invoice currency of each country (see the below example).
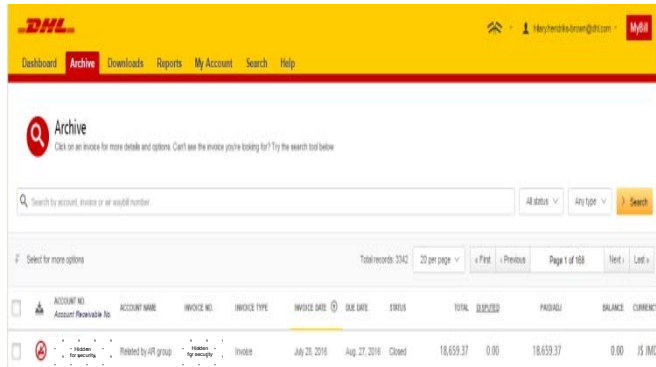

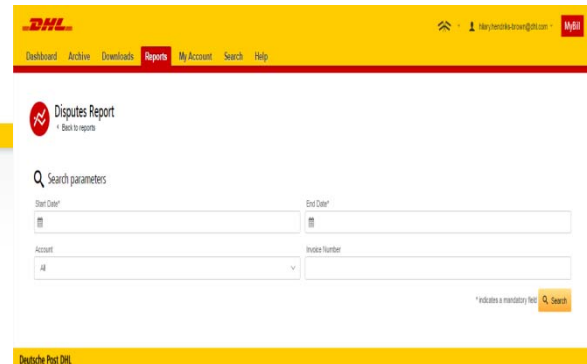

The Archive Screen

When an invoice has been paid it will be removed from the main **Dashboard** screen and will be automatically placed in the **Archive** overview.

No further action is required for these invoices and they will remain available for your reference/retrieval.

The Report Screen

The **Report** screen offers the possibility to download reports. These reports will be available in CSV format. Select the report you wish to run, enter the *Search Parameters* and then select the *Search* button to create the report
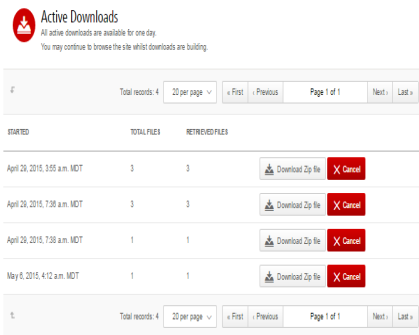

The Downloads Screen

In the **Downloads** screen you will find all your recent downloads created using the **Archive** or **Search** facilities. Downloads will be available for a limited number of days before they are removed. Should you wish to remove previous downloads then select the *Cancel* button.

MyBill Search offers dynamic search capabilities to easily and quickly search your accounts and invoices

Simply select the parameters you wish to search on and select the *Search* button

Available search parameters include:

- Account
- Invoice number
- Waybill
- Invoice Type
- Status
- Start & End dates

Note: Start & End dates refer to the invoices dates and not to shipment details.

The **Search** screen also offers the possibility to save your search parameters.

All you have to do is select the necessary search parameters, then enter a name in the *Save a "Saved Search"* field and finally select the *Search* button.

This name you entered in the *Save as "Saved Search"* field will then appear in the *Saved Search* Section. Next time you wish to carry out a search using these saved parameters simply click on the *Saved Search* name.

In the **My Account** screen you will find an overview of your account details. From this screen you can update your user details, change your password, view your open invoice summary and manage your accounts

My User Details
In this section you can alter/update your Email Address, Name details, Telephone Number, Language Preference, etc.

Change Password
In this section you can update/change your password should you wish to. **Please note that any changes to your password here will not align with your MyDHL password. This will need to be altered/changed separately.**

Open Invoice Summary
This section gives you an overview of the outstanding balance as well as the aging of the current open and outstanding invoices. The overview is broken down by invoice currency.

My Accounts
The **My Account** section is an overview of all the accounts you have access to. In this section you can view your rights for each account.

If a *Manage* button appears in the manage column this means you have managing rights; if the column is blank then you do not have managing rights for that account. Clicking on the *Me* button will provide you with a list of rights you have for that account which include: *Manage users*, and *Dispute*.

In the same window you can also choose the method by which you will receive you invoices by email. Click on the dropdown menu to view and select the available options.

The **Help** screen is intended to help you maneuver your way through **MyBill** and provides simple step-by-step instructions.

The **Help** screen in there to provide additional support for **MyBill.** The **Help** screen is made up of several sections:

- The Dashboards
- Managing your Accounts
- View/Downloading Invoices
- Making a Payment
- Logging a Dispute
- How to use Search

Should you find not the answer you were looking for in the **Help** screen you can also refer to the **FAQ** document

STEP-BY-STEP

Over the next few pages we will explain, step-by-step, how to use the functionality of MyBill

There are several ways to download invoices; one invoice at a time or multiple invoices simultaneously.

Invoice Key

❶ Overdue invoice

❓ Disputed invoice
Single invoices

Option 1:

To view a single invoice simply hover your mouse over the invoice line and select the *PDF Invoice* that will subsequently appear.

Option 2:

Tick the box next to the invoice you wish to view and select the *Download* button. If you wish to simply download the PDF then click the *Download PDF* button. If you would like to download the invoice in a different format (CSV, XML) then select the dropdown menu and choose the preferred format.

Should you select the *Download* option you will be redirected to the **Downloads** screen where you can chose your *Download Preference* by ticking the box next to your preferred format and clicking on the *Download* button

Multiple invoices

To download multiple invoices select the invoices you wish to view by ticking the boxes next to the invoices and then select the *Download* button.

As with the single invoice option, you will be redirected to the **Downloads** screen where you can choose your download preference.

Should you chose the *CSV for XLS* format you will be offered the possibility to customize the format. Should you wish to customize the format of the CSV file then select the *Customize Format* button otherwise select the *Download* button to continue with the standard format. You will the be redirected to the **Download** screen from where you can download your file.

CSV Configuration

Should you wish to customize the format of your CSV file then you will be redirected to the **CSV Configuration** screen.

If you only require particular fields there is the flexibility to customize the file thereby reducing the extract to your specification and displayed in a set order. In order to customize the set order select the column header from the *Selected columns* field and drag across to the *Available columns* field; place columns in the order which best suit your needs.

In addition there is option to concatenate (consolidate) the files making it easier to import into your accounting system. Simply tick the *Concatenated* box and select the *Done, apply settings* button.

If you simply want to change the sort order of the CSV file then select one of the options available in the *Sort order* drop down menu.

Should you wish to save your settings then enter the name by which you wish to save these settings in the *Save all settings for later?* field before selecting the *Done, apply settings button*.

These saved settings can then be found back in the *Pre-saved configurations* drop-down menu.

One you have finished customizing your CSV file and you've selected the *Done, apply settings* button you will be redirected to the **Downloads** screen where you can download your file.
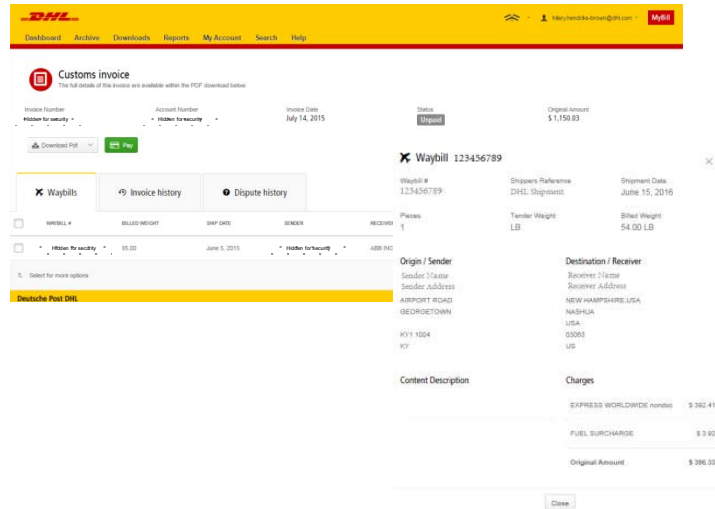

Waybills & Supporting Documentation

Waybills and Customs paperwork

As with invoices, there are several ways in which you can view Waybills and/or customs paperwork.
Single invoices

Option 1

Click on the invoice row and you will be redirected to the invoice screen. Click on the *Waybill* number and the Waybill details will appear in a new window.
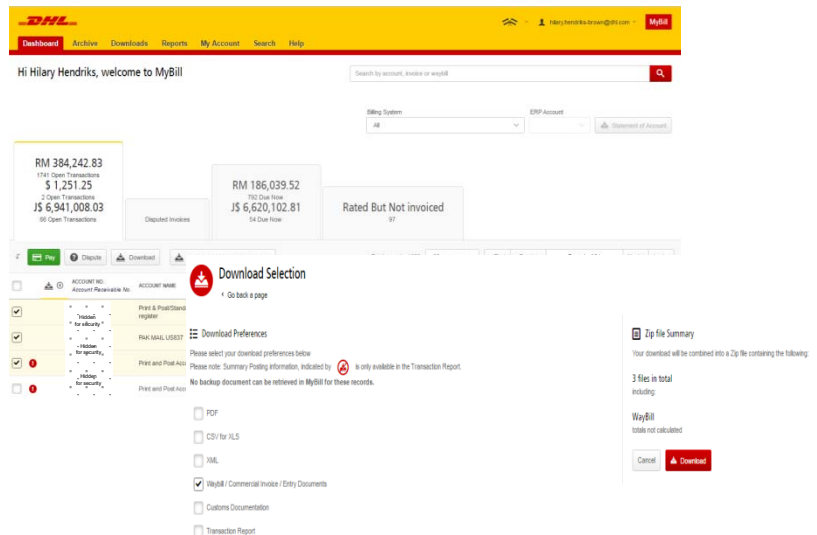

Option 2

Click on the *Image* button in the *Download* column. A new window will list the available paperwork. Select the option you wish to view.

Multiple Invoices

Tick the boxes next to the necessary invoices and select the *Download* button. You will then be redirected to the Download screen where you can select the *Waybill / Commercial Invoice / Entry Documents* option and then click the *Download* button.

As with the invoice you will be sent to the **Download** screen where you can download your file.

MyBill offers the possibility to log dispute invoices online.

To log a dispute on an invoice simply select the invoice(s). Once selected, three options will appear; *Pay, Dispute, Download* – select the *Dispute* button.

You will be directed to the *Dispute Invoice* screen where you can enter the details of your dispute by selecting a dispute reason from the dropdown menu, entering a description of the dispute in the comment field and clicking the *Submit Dispute* button.

Note: Only one dispute can be logged per invoice

Updating a Dispute

Once you submit a dispute it cannot be canceled within MyBill. In the event a dispute needs to be modified or canceled, simply update the open dispute with information for our DHL Billing Agent to make the necessary changes.

Go to the **Disputed Invoice** dashboard and select the invoice you wish to update. Select the **Dispute History** tab and then the *View Dispute* button.

! Want an overview of all disputes? Go to the **Reports** screen and download the **Disputes Report**.

Here you will find the details of your dispute as well as the option to add a comment to your dispute. Should you wish to cancel your dispute then mentioned this in the comment field and it will be cancelled accordingly; if you wish to simply add additional notes to your dispute this can also be done here.

Please note it will take at least 24 hours for the deletion or the update of your dispute to be visible in **MyBill**

The Rated but not Invoiced (RBNI) functionality provides an overview of dispatched shipments that have been rated <u>but not yet billed</u>.

In the event that your account has been enabled for Rated but not Invoiced (RBNI) you will be able to view shipments that have been sent, rated but not yet invoiced.

Such functionality not only provides you with a clear overview of all dispatched shipments in a timely manner but also assists with the rebilling to your customers should you need to.

Available shipment details include :

- Shipment Number
- Product
- Origin and Destination
- Weight
- Weight Charge
- Taxes
- Insurance

Sort your RBNI data by clicking on a particular column header . The arrow next to the header will indicate the direction of the sort order.

<u>Please note: data found in the Rated but not Invoiced screen is not final until billed and is subject to change.</u>
In the Rated but not Invoiced Dashboard you can easily view the shipment images by selecting the *View Image* link found on each shipment line. The shipment image will appear in a new window.

The Rated but not Invoiced functionality also allows you to download the data into excel. You can download the standard format simply by selecting the *Download All Open Transactions* button situated at both the top and the bottom of the overview.
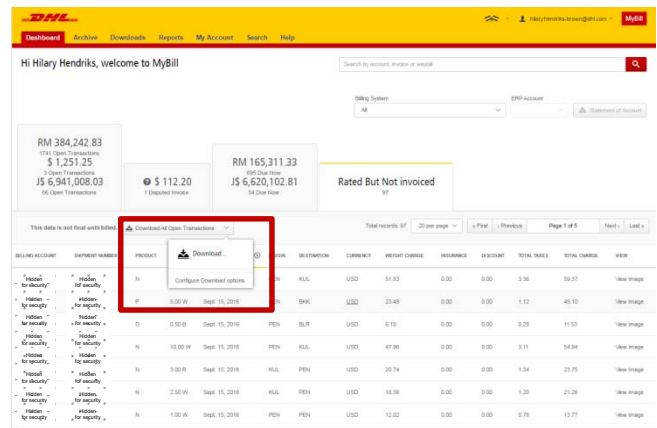

Should you wish to customize the format of the download then select the drop down menu on the *Download All Open Transactions* and select *Configure Download Options*.

You will be redirected to the **Report Configuration** screen where you can customize the file format, save your settings or use a previously saved format.

The RBNI Report Configuration screen is similar to the Invoice Report Configuration screen - see this section for further instructions
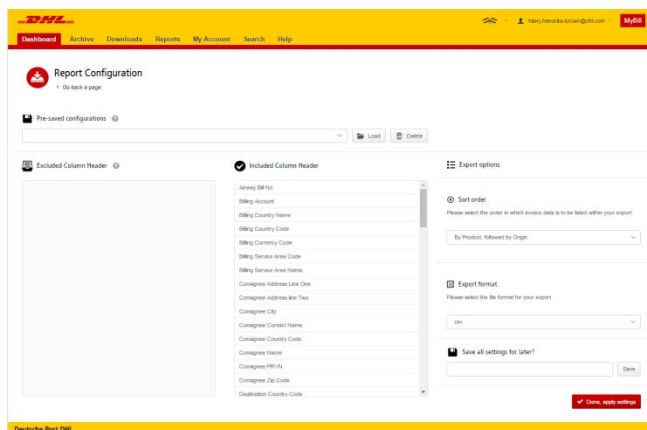

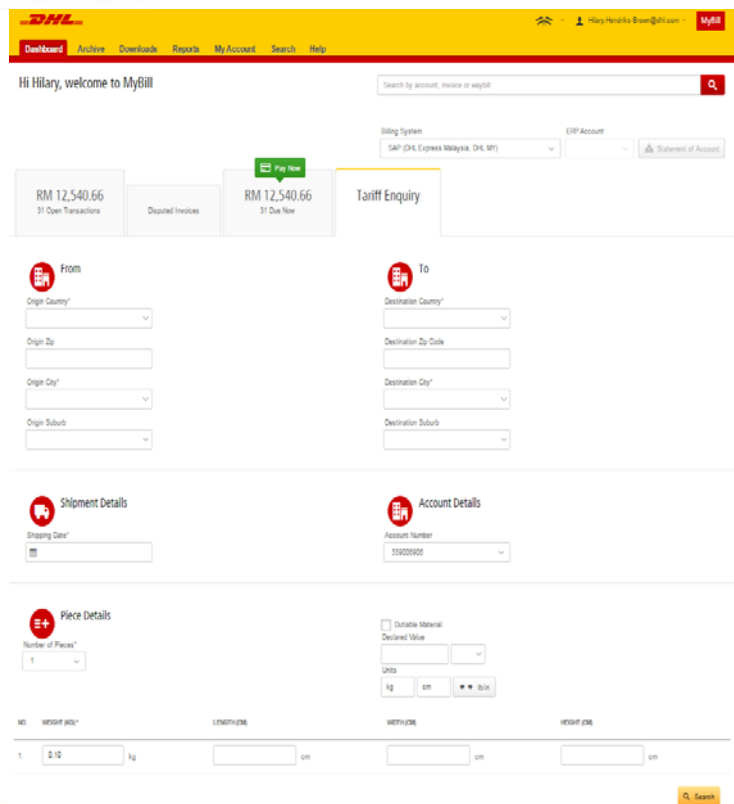

Tariff Enquiry provides account specific tariff information based on the contractual agreements on your account.
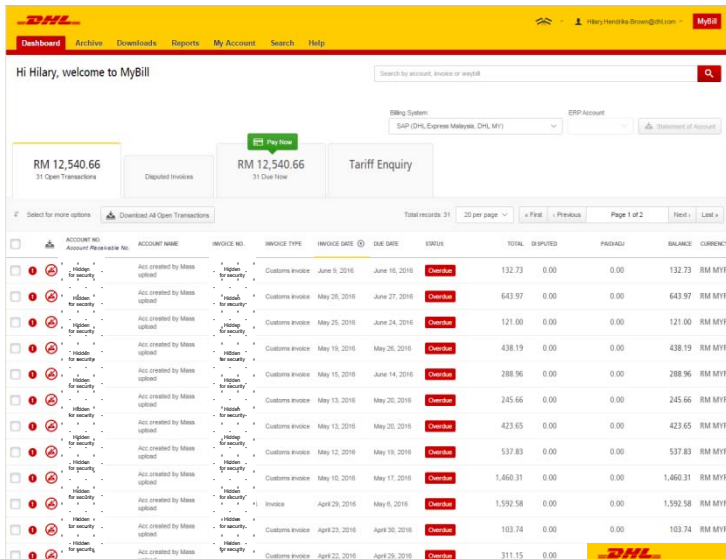

The **Tariff Enquiry** is located on the main **Dashboard** screen. Simply click on the **Tariff Enquiry** tab to open the screen.

Once in the **Tariff Enquiry** screen you will need to enter numerous details on which to base your enquiry.

Particular fields such as *From* and *To* details, *Shipment Date* and *Piece* details are mandatory and so must be completed. Mandatory fields can be identified by the asterisk.

Tariff enquires can be carried out on account level by selecting the applicable account in the A*ccount Details* drop down menu.

You can enter the piece weight and/or the piece dimensions. When you select multiple pieces additional lines will appear allowing you to enter details for each individual piece.

The MyBill Track and Trace functionality allows customer to track shipments easily and without having to leave the MyBill site.
Should you wish to view the **Track and Trace** details of a shipment open the invoice by selecting the invoice line.

Once redirected to the **Invoice** screen select you will be present with a breakdown of all the shipments for that invoice. On each shipment line you will find a *Track* button. Select the *Track* button next to the shipment you wish to view.
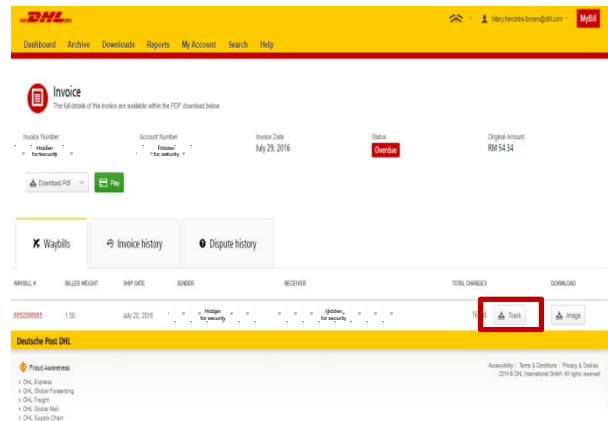

A new window will appear with your shipment Track and Trace details. You will also find a link on the screen for the Proof of Delivery image.
